Client Services Program

We listen, qualify and compassionately serve low income families and seniors. At Open Door, we help guide people to solutions for creating a plan for self-sufficiency and success utilizing collaborative support with other agencies and churches, if appropriate. Open Door offers important referral information to various service programs in Oakland County that may be able to assist with specific needs.

We offer, as funding permits, special financial assistance helping clients avoid crises such as utility shutoffs or evictions. We may also assist financially with medical or prescription needs and auto repairs for our clients.

Many of our clients have already endured great hardship before coming to Open Door. They are in desperate need of understanding, help and hope. Open Door offers a compassionate heart to listen and assist with food, referrals, clothing, finances and hope.

Food Pantry

Open Door's food pantry provides food & care items on a monthly basis to qualified low income men, women, children and seniors struggling to make ends meet. Over 15,000 pounds of food which equals 12,000 meals are distributed to an average of 285 local families per month in our community.
